Wonderful learning has occurred in every classroom, including: working with technology (chromebooks, robotics, coding, stop-motion animation and creating movie trailers), working with power tools (sanders, saws), flexible seating in many classrooms have enhanced students working environments, field trips so students can learn in alternate settings and experience new opportunities to connect with our community and much more! This year has seen such growth by everyone in our building and we are excited to see this continue into next year.

Thank you parents and guardians for your constant support for your child's learning and for the adults in the building. Without you supporting what we do in this building the success could not happen. With summer vacation just a short distance away we hope that you all have a wonderful break and enjoy great weather and family. To our grade 6's, we send our best thoughts as you embark on your next school journey at Brock Middle School. To everyone, please be safe, keep reading and we will see you all back in the fall.

Sincerely,

Deb Piggan, Principal  
 Roy Styles, Vice-Principal

### **Library Message**

Our library was given a very special gift in May. A local bookstore Coles participated in a contest across Canada trying to raise money. Their little store finished first in their fundraising efforts in western Canada and were able to donate \$2500.00 in the form of a gift cards to any elementary school of their choosing. Coles happily chose our school and we have begun the process of adding books to our

### **Administrator's Message**

We would like to take this opportunity to thank our students, staff, parents and community for making this school year such a great success. The students celebrated many accomplishments this year. For the first time in years Arthur Hatton participated in both the volleyball and basketball leagues. We have improved our playground behaviour and the students earned a reward to the movie theatre and an extra recess during two school wide behaviour blitzes.

library shelves. Thank you to Jenn Meecham and her wonderful team at Coles in Aberdeen Mall.

On June 6th, four students from our school competed in the Robotics Tournament, hosted by the school district, up at Thompson Rivers University. It was an amazing experience for our students and they represented Arthur Hatton with great pride.

### **Lost and Found**

We have accumulated many clothes in our lost and found cart since Spring Break and are asking all parents and guardians to please search the cart for any items you are missing in your homes that your child may have left at the school. The last day for grabbing these items will be June 25<sup>th</sup>. The remaining items will be bagged up and donated to a local charity.

### **June 26<sup>th</sup> -- Arthur Hatton Appreciation Day/Presentations of Learning**

We are very excited to be hosting an event on June 26<sup>th</sup> that will bring our community together and celebrate some of the wonderful learning that our students have done over the course of the year. From 1pm to 3pm, students from Kindergarten to Grade 4 will be doing presentations of learning in their classrooms. Students in Grades 5/6 will be hosting their Young Entrepreneurs fair at the same time in the gym. From 3:30pm to 4:30pm, students will be able to play road hockey in our parking lot. From 5:00pm to 6:00pm our parking lot will be host to a celebrity hockey game involving members of the Kamloops community and former Kamloops Blazer hockey players. During this time our amazing PAC will have a dunk tank station and face painting booth for students and adults to enjoy. There will also be a chance for many organizations within the Arthur Hatton community to showcase what they do and offer during the summer.

We will have a grill and food available to purchase between 5:30pm-7:00pm as well. There will be burgers, hotdogs and other snack options. Burgers will sell for \$3.00 and hotdogs for \$2.00. Other items will be \$1.00.

We invite you all to join us during the day as we believe that this is a great opportunity for our community to get together and celebrate how wonderful we all are.
