

### Message from Administration

Here at Arthur Hatton, we have a truly dedicated, caring and professional staff. They truly have the best interest of the students at heart and for that we are all so grateful! Our focus for February will be on kindness and inclusion. Talk to your child about these concepts and what he/she can do as an individual to be an inclusive and kind person.

We would like to wish Ms. Paynter well, as her time with our school has come to an end. We will sure miss you Ms. Paynter! And, a warm welcome back to Ms. Pineo who is returning from maternity leave.

A special congratulations to Ms. McDonald, our library technician, who is retiring this month. Ms. McDonald thank you for your years of dedication and service to our school and district. You will be missed!

We would like to extend our appreciation to PAC who have purchased 36 pairs of snowshoes for our school. We are hoping to receive the snowshoes soon and students can have the opportunity to use them this winter.

Please note that if you decide to choose homeschooling for your child that you must advise the school office of this change. This is also the case if you decide to return to Arthur Hatton from homeschooling. Please note that classes are configured based on number of students and advising us of your plans is essential so that we can plan appropriately.

Please see the attached form inviting all parents to respond to the 2021 Student Learning Survey. Your input is greatly appreciated.
